Good Morning,

The allowance should not have to mailing because the revision code was not performed. If the case did make it to the contractor's, they would have sent it back. Please check your surrounding areas. If we can not locate the file, then we need to reprint the original. Thanks

If the allowance NOA on 11/15/05 count wasn't complete when it left this floor then contractors would've sent it back. I don't know where to get a copy. Standby and I'll try to find out...BH

Bruce,

An attorney called me on the above application. The Notice of Allowance was mailed out but did not include the sheet which the applicant needs to pay the issue fee.

What do I need to do to get those sheets to the applicant?
